FOREWORD

The present list is a transcript of the classed catalogue covering the division of Philosophy, under which are grouped works in the Library treating of Philosophy in general and by country, on Metaphysics, Logic, Psychology and Ethics. A list is in preparation showing works on the Philosophy of Religion, Folk-lore, and Ethnic Religions.

An alphabetical index of the entries, by author and short title, and of the subject headings, shows the Library call-numbers and the pages of this publication on which full titles will be found.

EXPLANATIONS AND ABBREVIATIONS

A plus sign (+) after a volume number or date indicates that the publication is currently received or is in progress.

A dash (–) before an entry indicates that the author or the title is the same as in the preceding entry; between dates it indicates "to and including the second date."

Two dashes (– –) before a date or designation of an edition indicate that the author and the title are the same as in the preceding entry.
